**Berwick Infirmary and  
Bell Tower, designed by  
John Starforth in 1874**

For more information about the Infirmary and how this much-loved local landmark is now threatened with demolition, visit our website: [www.berwick-heritage.co.uk](http://www.berwick-heritage.co.uk)

To make this model, you will need a craft knife, glue, and a craft mat or other suitable cutting surface. Score along tabs and folds.
